

8 years of experience designing digital products that simplify complex user journeys across Fintech, EdTech, E-commerce, Marketplaces, Study Abroad & Travel. My online portfolio link uirohit.github.io

Open to opportunities as a Product Designer · Senior UI/UX Designer · Project Coordinator

EXPERIENCE

Product Designer

Mapr, Kaushambi · Hybrid

FEB 2026 - AUG

- **EdTech Platform** — Led the UX and UI design for an options trading platform covering courses, live sessions, and demo trading across NSE, BSE & MCX.
- **Trading Platform** — Defined product flows, MVP requirements, and design documentation for a high-frequency trading platform.

Sr. UI/UX Designer

KRS Infotech, Noida · On-site

MAR 2025 - SEPT 2025

- **Mobile CRM** — Designed a mobile-first CRM for study-abroad and immigration consultants, covering student management, applications, documents, follow-ups, and key workflows.
- **Brand Identity** — Visual identity across digital products, office signage, and workspace branding.

UI/UX Designer

Fortune Group, Ludhiana · Remote

APRIL 2024 - MAY 2024

- Designed online identity for their new venture "Fortune Data Centres", creating both the website and presentation. Collaborated closely with the Project Manager and Digital Marketing Team.

UI/UX Designer

Quantum4U, Gurgaon · On-site

OCT 2017 - JAN 2022

- **Product Design** — Owned UI requirements across mobile apps, backend platforms, and web experiences, working closely with developers to take designs from concept to implementation.
- **Client & Project Management** — Managed client communication, design requirements, feedback, and project coordination from initial discussions through delivery.
- **Marketing & Frontend** — Designed Play Store assets, marketing collateral, in-app ads, and contributed to frontend development.

Web Designer

Finesoft, Noida • On-site

MAR 2017 - OCT 2017

- Worked on ERP and billing web apps and built both static and dynamic websites. My role involved designing admin dashboards and websites.
